No. ECI/PN/74/2021

August 13, 2021

Press statement

Some media sites are reporting breach of data from ECI site.

Assistant Electoral Roll Officers (AERO) are mandated to provide citizen-centric services including printing of Voter ID cards and timely distribution in line with the theme of “No voter to be left behind”. Data Entry Operator of one of the AERO office had illegally shared his user id password with a private unauthorized service provider in Saharanpur’s Nakud sub-division to print some Voter ID cards.

Both these persons have been arrested. ECI database is absolutely safe and secure.
